

Mercy College of Ohio Student Guide

What is Transferology?

Transferology is a free nation-wide network designed to help students explore their college transfer options. Students can answer the question "Will my courses transfer?" by adding coursework, exams, and/or military learning experiences to see how many schools in the Transferology network have matching courses that may be awarded when they transfer. They can also find out what their options are for taking classes over the summer (or whenever) at another school to transfer back to their current school by using the "Find a Replacement Course" feature.

Getting Started!

To begin using Transferology, go to <https://www.transferology.com>, click on any of the blue boxes or hyperlinks and follow the prompts to create an account. A subscription is free for all students. A new account can be created from scratch or sign up is available through another existing account (ex. Facebook). Once you've created an account you will click on "Sign in" to access your account in the future. If you are a first time visitor, your login takes you to a decision page where you will be prompted to either see how courses will transfer (green) or find a replacement course (blue):

The screenshot shows the Transferology homepage with a navigation bar at the top containing the logo, "→ Will My Courses Transfer?", "↔ Find a Replacement Course", and a user profile "Terie Grant". Below the navigation bar, the text "Choose an option:" is centered. Two large buttons are presented: a green button labeled "→ Will my courses transfer?" and a blue button labeled "↔ Find a replacement course". Below these buttons, a link reads "Which option is right for me?". At the bottom of the page, there is a footer with the CollegeSource logo, a description of their services, and several links: "Contact Us", "Privacy Policy", "Accessibility", "Terms of Use", "About Transferology", "What's New?", "F.A.Q.", and "College Employees". A small version of the Transferology logo and version information are also present in the footer.

Will My Courses Transfer?

To begin finding transfer information enter the courses you have taken, are currently taking, or plan to take in the future. Transferology can be used to evaluate how credits from another institution will transfer to Mercy College of Ohio. For this document, the example of how courses taken elsewhere can transfer to Mercy College:

The screenshot displays the "Will My Courses Transfer?" search interface. At the top, there is a navigation bar with the Transferology logo and buttons for "→ Will My Courses Transfer?" and "↔ Find a Replacement Course". Below the navigation bar, a secondary bar shows navigation options: "+ Courses (5)", "% Matches (105)", "★ Favorites (2)", and "📁 Programs (2)". The main content area is titled "Courses" and "→ Will My Courses Transfer?". Below the title, there is a brief instruction: "See how your courses will transfer to another school. Enter your coursework and search for matches. Don't want to transfer? [Find a Replacement Course](#) that you can take elsewhere for credit at your current school." The interface is divided into two main sections. On the left, there is a search form with tabs for "Courses", "Standardized Exams", and "Military Credits". The "Courses" tab is active. The form includes a "School Name" input field, a "Taken" dropdown menu set to "Fall", a year dropdown menu set to "2017", and a "Department" input field with a placeholder "Enter department abbreviation (i.e. ENGL)". On the right, there is a "My Courses" section with a "Search for Matches" button. Below this, a table lists courses from three institutions: Owens Community College, University Of Toledo, and Youngstown State University. Each row in the table includes the course ID, course name, transfer term, and the number of credits transferred, along with a trash icon for each entry.

Owens Community College			
ENG111	Composition I *Ohio Transfer Module	Fall '17	3
ENG112	Composition II *Ohio Transfer Modul	Fall '17	3
University Of Toledo			
MATH1320	COLLEGE ALGEBRA	Fall '15	3
Youngstown State University			
BIOL1551	Anatomy and Physiology 1	Fall '17	3
BIOL1551L	Anatomy 1 Laboratory for Health Pro	Fall '17	1

Mercy College of Ohio Student Guide

In this field, select your school name, and subjects taken to bring up a list of courses (ex. English).

Courses
Standardized Exams
Military Credits

School Name

Taken

Summer ▼

2017 ▼

Department

Click the add button to add the necessary course to “My Courses”. Repeat this process until all necessary courses have been added for the appropriate “Taken” term. Courses can be added or deleted at any time. The results display a list of colleges that match the courses you entered. Select Mercy College.

Once all courses have been added, you can now see how your external courses will transfer to Mercy College by selecting “Search of Matches”.

Find a Replacement Course

Transferology also allows you to view replacement courses, which allows you to select a course at the school you currently attend and lists other institutions that offer the equivalent course. For this document, we will use the example of attending a 4-year institution and searching for a replacement course elsewhere:

To find a replacement course, click on “Find a Replacement Course” in the top right corner of the home screen. Then, enter the “school you currently Attend”, the “Department” of the course you need, and click on the add button to select the appropriate course. Click on “Search for Matches” to view a list off schools that offer an equivalent course.
