MercyCollege of Ohio

Associate of Applied Science in Health Information Technology
Program Outcomes Data

The program changed from Associate of Science (A.S.) in Health Information Technology to Associate of Applied Science (A.A.S.) in Health Information Technology in Fall of 2018. The table of Graduation Rates currently lists only students who entered the A.S. program.

A.S. Health Information Technology		
Graduation Rates (within 150% to completion)		
Academic year students began the program	**Percent completion With 3 years**	**Percent completion With 5 years**
2017-2018	30%	50%
2018-2019	22%	22%
2019-2020	20%	*Posted after Spring 2024*
2020-2021	30%	*Posted after Spring 2025*

Percent completion "within 150% to completion" is the percent of students who complete the two-year program within three years or less of enrollment in the program. Completion rates for some cohorts may be slightly higher than the stated graduation rate as some students graduate after the "150% time to completion." A five year completion rate is provided as a result.

A.S./A.A.S. Health Information Technology	
Retention Data (Year-to-Year)	
Year	**Retention Rate**
Fall 2017 – Fall 2018	58%
Fall 2018 – Fall 2019	48%
Fall 2019 – Fall 2020	83%
Fall 2020 – Fall 2021	47%
Fall 2021 – Fall 2022	23%

The Retention Rate compares (a) the number of program students who return the second listed Fall semester to (b) the number of "potential returning students." "Potential returning students" are program students who attended the first listed Fall semester and did not graduate before the second listed Fall semester.
