

Our Mission

We are an organization of women and men who are interested in promoting the mission and programs of Mercy College of Ohio.

Our history is rooted in the Mercy Hospital Guild and the Mercy Hospital Auxiliary which supported the Mercy mission of caring for anyone who sought help regardless of the ability to pay.

As volunteers working together, we sponsor programs and projects to fund student scholarships and to provide needed support for programs offered at the College.

Our Work

Major gifts to the College funded by events and sales include:

- **\$5,000** in April 2016 in the Mercy College Scholarship Fund.
- **\$5,000** in December 2016 for the Mercy College Anatomage Table.

We enjoy the companionship of each other during the planning of projects and at our Auxiliary events.

Mercy College Auxiliary Events

Annual events held during the months of September through June are sponsored by the Auxiliary for members and guests.

These events are chaired by Auxiliary Board members who form committees of volunteers interested in planning and carrying out the functions. Events include:

- Mass and complimentary lunch in September to celebrate Mercy Day – held on the Mercy College campus
- Jewelry sales held on campus
- Christmas holiday, March, and spring luncheons
- Mercy College Gift Shop – our members volunteer in the Gift Shop; these volunteer hours contribute to the annual allocation to the college from the Mercy College Foundation.

thank
you!
