

Mercy College of Ohio

Bachelor of Science in Biology

Program Outcomes Data

Graduation Rates (within 150% to completion)

Cohort Year	On-Time Completion Rate
2018	50%
2019	67%
2020	67%

Percent completion "within 150% to completion" is the percent of students who complete the eight-semester program within twelve semesters or less of enrollment in the program.

Retention Data (Year-To-Year)

Year	Retention
2020	89%
2021	71%
2022	89%
2023	88%
2024	78%

The Retention Rate compares (a) the number of program students enrolled for the Fall term of the pertinent year who return for the Fall term of the following year and (b) the number of "potential returning students". "Potential returning students" are program students who attended the Fall semester of the listed year and did not graduate before the next Fall semester.
