

Mercy College of Ohio

Bachelor of Science in Healthcare Administration

Program Outcomes Data

Graduation Rates (within 150% to completion)

Cohort Year	On-Time Completion Rate
2017	55%
2018	41%
2019	46%
2020	62%
2021	52%

Percent completion "within 150% to completion" is the percent of students who complete the two year program within three years or less of enrollment in the program.

Retention Data (Year-To-Year)

Year	Retention
2020	85%
2021	84%
2022	76%
2023	68%
2024	82%

The Retention Rate compares (a) the number of program students enrolled for the Fall term of the pertinent year who return for the Fall term of the following year and (b) the number of "potential returning students". "Potential returning students" are program students who attended the Fall semester of the listed year and did not graduate before the next Fall semester.
