

Mercy College of Ohio

Bachelor of Science in Medical Imaging

Program Outcomes Data

Graduation Rates (within 150% to completion)

Cohort Year	On-Time Completion Rate
2018	60%
2019	63%
2020	58%
2021	63%

Percent completion "within 150% to completion" is the percent of students who complete the two year program within three years or less of enrollment in the program.

Retention Data (Year-To-Year)

Year	Retention
2020	89%
2021	77%
2022	72%
2023	85%
2024	69%

The Retention Rate compares (a) the number of program students enrolled for the Fall term of the pertinent year who return for the Fall term of the following year and (b) the number of "potential returning students". "Potential returning students" are program students who attended the Fall semester of the listed year and did not graduate before the next Fall semester.
