
Mercy College of Ohio currently does not require students to be vaccinated against COVID-19, but **some clinical sites may require proof of vaccination** for placement.

The CastleBranch requirement will prompt you as follows:

Have you received the COVID-19 vaccinations?

1. If NO, this requirement will be marked complete and the renewal will be set for 3 months to ask again.
2. If YES, submit documentation of your COVID-19 vaccination(s).
 - a. If your series is in process, submit your first vaccine and a new alert will be created for you to provide your second vaccination.

Documentation must include the vaccine manufacturer.

If you have NOT been vaccinated and are not assigned to a clinical site that requires it, you must still answer the prompts to be compliant with this requirement.
