

COVID-19 Vaccines

Vaccines prevent the spread of COVID-19 and will help bring this pandemic to an end. COVID-19 vaccines are safe and effective. After you've been fully vaccinated, you can start to do some things that you had to stop doing because of the pandemic.

Get Vaccinated

The vaccine is **free** and available to everyone age 12 and older living in the United States, regardless of immigration or insurance status.

How do I get a COVID-19 vaccine?

- Text your **zip code** to **438829**
- Call **1-800-232-0233**
- [Find a vaccine near you](#)
- Check with your **local health department** or **local news** for additional information about where vaccines are available in your area.
