

Master of Science in Nursing

Program Outcomes Data

MS Nursing			
Graduation Rates (within 150% to completion)			
Enrollment Year	Completion Year	Percent Completion	Percent Completion Rolling Average (Last three years)
2018	2021	86%	N/A
2019	2022	80%	N/A
2020**	2023	69%*	76%

Percent completion “within 150% to completion” is the percent of students who complete the six-semester program within nine semesters or less of enrollment in the program.

* If below 70%, average of the past three most recent calendar years is calculated.

** 2020 Enrollment year includes Spring 2021 Enrollees.
